From the Superintendent's Desk

Terry Wisniewski Superintendent

I am incredibly honored to be chosen as the Superintendent of the Hartsburg-Emden. I look forward to working with each and every one of you to ensure that all of our students have unlimited opportunities to choose their future, whether it be here in Hartsburg-Emden or in the global economy. Over the last four years I have been extremely impressed with the energy and commitment of the Hartsburg-Emden community to support our schools to continually improve. As many have come to know me, you've discovered that I'm a continual growth person. Each and every year, we need to become better at what we do and expand the opportunities provided to our students. I believe that in order for schools to improve, we need to have a strong foundation in place from which to build. My primary goal as the Principal was to establish a school culture and climate which is conducive to a positive learning environment. Using researched based modern methods to improve our instruction, while trying to make school a fun safe place for our students is a continuous process. We brought back Homecoming Activities, Positive Referrals, Students Recognitions, and more. I believe we developed a strong foundation in which we can continue to build.

There are several things I wish to provide as a new superintendent: a district office that provides great customer service to our two schools, parents, and students – in support of high quality instruction; a Principal who is a strong instructional leader and a fair disciplinarian; skilled teachers who know students' dreams, needs and strengths and provide them with the best education possible; families and community members engaged and connected with schools to help students develop. My plan is to continue to listen, learn, and observe how we can best move forward. I intend to keep the following questions at the forefront of what I do: What is working for Hartsburg-Emden School District? What should we continue doing that is helping our students to achieve at high levels? What is getting in the way of our students' success? Is there anything we should stop doing or change? How do we get ideas and cooperation from all our stakeholders? School districts are obviously not a one-person operation; there are things that I can do to encourage unity amongst our communities whether it is budget-related or communication-related. I am open to consider ideas or suggestions from the community. I look forward to working with the School Board and having conversations that will help our schools strategic planning process in 2015-2016 and beyond, so we can continue to pursue excellence. School districts will always have challenges, both small and large. But districts like Hartsburg-Emden who are fortunate enough to have quality employees, strong families, and wonderful children will handle challenges with professionalism, become stronger for doing so, and continue to deliver an outstanding education that remains true to local values and beliefs. It is a pleasure to serve as your Superintendent and if you have any questions or comments about anything, please don't hesitate to contact me.

I believe we found a Principal to help our school move in the right direction. Please welcome Jon Leslie to our school and our community. He, his wife (Laurie) and his son (Lincoln – 6 months) moved to Emden this month. Jon & Laurie are both educators. Laurie will be a new 3rd Grade teacher at Illini Central. Jon has been a Dean/Assistant Principal for the last 5 years at Marquette Academy in Ottawa, Illinois. Prior to that, he was a teacher. Jon comes with discipline, curriculum, management, and teacher evaluation experience. These areas are critical to being an effective Principal. The principal position is a very difficult task when it comes to dealing with these things. These are areas in which you will never please everyone and must be handled with a sense of firmness, fairness, honesty, and sincerity; again not an easy task. I am confident Jon Leslie will be a terrific addition to our staff and hope that everyone welcomes him to our community.

I am very excited to start a new year full of great experiences for our entire school community. We are counting on great successes and positive progress for all of our students, and a professionally enriched year for our staff. We are continuing with the adoption of our new Illinois Standards (The Common Core Standards), teachers will be busy implementing all those standards, determining what instruction works best for those standards, and clarifying how to appropriately assess those new standards. Students will be utilizing different

approaches to learning new material, and will be taking a revised version of the new State test (this will be four years in a row the State test has changed). It will be a challenge for all of us, but we will all do our best each and every day to provide what our students need.

As a small rural school in central Illinois, we have much to offer our students. All students have been exposed to a strong Authentic Literacy Program and opportunities to participate in many different extracurricular activities. We have much to celebrate and much to offer! If you know anyone who would like to join our community, encourage them to come and check us out, we would be happy to talk to anyone about the possibility of their child becoming involved in the Hartsburg-Emden School District. I know you join me in celebrating the fact that we live in a community that supports their schools. There are so many, many people that volunteer their time to help in so many different ways. The district could not provide many of the opportunities we do for our students without your willingness to give up your personal time. We greatly appreciate all that you do for our students.

I also want to take the time to publicly thank our staff for the awesome jobs they do each and every day. They are all truly a blessing and the foundation for our move towards success. Their willingness to adopt a continual growth idea and their work towards becoming the best possible staff is transforming our school. We could not be more thankful or more proud of their cooperation. As I've said in the past, it is a great time to be a Stag!!

Hope everyone has a safe and happy Independence Day.

The State of Illinois also requires that all children entering Kindergarten, 2nd and 6th grades to have a dental examination. The examination must be completed between May 15, 2015 and May 15, 2016. Proof of examination is due no later than May 15, 2016.

All Kindergarten students and any student new to an Illinois school will be required to have a vision screening. The examination must be completed within the past 12 months. Proof of examination is due no later than October 15, 2015.

Students participating in sports and cheerleading must have a physical on file in the office before the tryouts or their sport's program begins. A sport's physical is good for one calendar year. Please remember that junior high softball starts in July and junior high baseball and high school golf and volleyball start at the beginning of August and the physicals need to be on file **BEFORE** they may practice or tryout.

If you have any questions, please call Erika at the high school 217-642-5244.

HIGH SCHOOL GOLF TRY-OUTS

Golf Practice will begin on Wednesday, August 12th at North Greens Golf Course in Atlanta. Participants need an up to date physical, proof of insurance, golf clubs, bag shoes, and approximate $150 all season golf pass. Checks need to be payable to North Greens Golf Course. You also need to pay the $25.00 participation fee in the high school office before practice on August 12. If you have any questions please contact coach Jason Garber at 217-737-4914.

EMDEN HOMECOMING TALENT SHOW

Think you can dance? Do you have the "voice"? Is comedy your talent? Is music your passion? Is juggling your game? Do you have magic to do? Here is your chance to show us what you've got!! The Emden Homecoming will once again be hosting a Talent Show. It is open to children ages 0-19 years of age. We will have 3 categories: 0-7, 8-14 and 14-19 years of age. There will be judges and a cash prize for 1st, 2nd and 3rd place finishes in each category. The Homecoming Talent Show will be July 18th at 7:00 p.m. at the main stage. We would love for several youth in our community to participate and share your awesome talents!! See the enclosed participation form if you are interested in performing. If there are any questions, please contact Rachel Jordan @ rjordan@hartem.org or Kathy Rohlfs @ karohlfs55@yahoo.com. Look forward to seeing several participating!!

H.O.P.E. TUTORING (HELPING OTHERS THROUGH PRAISE AND ENCOURAGEMENT)

St. Peter's Lutheran Church Women of the Word after school tutor program will begin Oct. 13, 2015. H.O.P.E. meets on Tuesday from 3:15-5:00 at the church.

The program is for students in Kindergarten- 4th grade. Volunteers listen to children read stories at their reading ability one on one in the church sanctuary. The reading volunteer greets the child at the church entrance, helps with attendance, and assists in a snack activity. After reading, students work in small groups of 2-3 children for hands on math activities. The program is concluded each week with a craft Bible activity.

If you are interested in having your child participate, it is important to pick up a registration form for HOPE at Hartem school registration July 20 or July 21 at the high school. **Space is limited** for this program based on volunteer participation. **Registration forms must be filled out and mailed to Deb Batterton by August 7, 2015** to be considered for the 2015-16 school year.
