

# HARTSBURG-EMDEN CUSD NO. 21 SEPTEMBER 2017 NEWSLETTER

## FROM THE SUPERINTENDENT'S DESK

Terry Wisniewski, Superintendent

Welcome Back!! It was certainly a full summer! Hopefully, your summer was filled with many memories. Likewise, we hope the anticipation and excitement of the start of another school year will help create new memories for everyone. It is a great honor and privilege for me to continue to serve as your superintendent. I look forward to meeting many new challenges as our district continues to grow and become the best place for students to be.

There is no doubt that schools continue to face the most challenging time in the history of public education in Illinois. As the State continues its political battle over education funding, we have now missed our first two (2) State payments. For the past 5 years now, we have been frugal with our finances because the State hasn't been reliable at all. Last year we only received 25% of our Transportation and Special Education State payments. This put the State a full year behind on those payments beginning this fiscal year. Having this extra burden really makes serving as Board Members even more challenging. I'd like to thank all our Board Members for their continued service. It often isn't an easy task.

Even with the States' issue, it is important to note the professionalism of our entire staff. Over the last five years, Hartsburg-Emden has continued to work hard to do what is best to keep our children's education the top priority while tightening our belt financially. The staff at Hartem is truly here for the right reasons . . . our students. I have continued to ask them to keep the focus on our students, not to let drama or outside negative influences determine what happens within their classrooms. Every year I ask for continual growth, positive attitudes, and high expectations. What I can tell you is, the Hartsburg-Emden staff is in high spirits and excited about the upcoming year. Our buildings look terrific thanks to our maintenance crew. They are ready!! As we begin a new school year, the Hartsburg-Emden staff is looking forward to working together with our parents to build skills and knowledge, reinforce values, and develop a strong sense of self-worth in our students.

If you have any questions or concerns, please don't hesitate to contact your classroom teacher. We must invest our time and energies in our nation's most valuable resource - our children.

As I do each year, I would like to take a minute to thank the Hartem Community Club (our K-8 parent organization) for everything they provide. Our students are provided with great field trips, parties, educational material, playground material, and much more from this organization. They have contributed resources and time in our children, which has enriched their lives. A new organization has also been formed to assist with Hartsburg-Emden academics. They have created the 'Hartem Legacy Fund' which has already raised over \$6,700 to help support academics K-12 in our district. If you'd like to learn more about either of these organizations, call the school and we'll direct you to those who can get you the information you'd like. We really do appreciate all the support we get from our community; we could not do all we do without you. I personally would like to send a huge thanks to everyone who helps our district out. We have many quiet, unnoticed, heroes in our district who do things that really make Hartsburg-Emden a unique experience for our students. Thanks to all of you.

Again, Welcome Back!! I'm looking forward to another great school year.

## PRINCIPAL'S MESSAGE

Jon Leslie, Principal

Welcome Back!!! I can hardly believe that we are already several days into the school year. The start of the school year is always an exciting time for everyone. Our students are now into a daily school routine and are ready to be challenged on a daily basis. Our fall sports and activities are in the full swing of their seasons and are doing a fantastic job, and our teachers and staff are rested and ready to give everything they have to educate and love your child.

We hired one new teacher this summer. Here is a quick rundown of our new faculty member.

Robert Ham  
9-12 Math Teacher  
University of Illinois  
7<sup>th</sup> Year Teacher

We here at Hartem are very excited to be back and look forward to both the joys and challenges that are ahead. We want your child to be happy and successful here at Hartem, and you as a parent or guardian play a key role. I am free to discuss any suggestions or concerns that you may have.

We (our faculty and staff) look forward to continuing to work together as a team to provide your child with the very best educational experience possible.

Go Stags!!!

## ATHLETIC DEPARTMENT

Matt Stoltzenburg, Athletic Director

Welcome back to all you Hartem fans. School has started and our sports teams are in full stride.

The junior high softball team is over half done with their season already. Our two new coaches (Kortney Hoerbert and Josh Riggs) and the girls are nearly ready to begin their postseason play. The girls begin their regional on September 6<sup>th</sup>.

Coach McAfee, Coach Farris, Coach Wolpert and the boys have also started playing baseball. You can see them at the McGraw field on September 7 + 8. They will begin regional play on the 12<sup>th</sup>.

Coach Robinson and the golf team have starting swinging the sticks. They will be in a couple of tournaments this month with the Tomahawk Conference Meet on September 11<sup>th</sup>, the Heyworth Invite the next day, and the Clinton Invite on September 18<sup>th</sup>. They will have home matches on September 6, 13, and 14 in Atlanta.

Our last fall sports team, the high school volleyball team, started their season on August 29<sup>th</sup> at Delavan. They will have home games on September 5, 12, 18, and 21. If you haven't heard about or seen it yet, the gymnasium has had a bit of a makeover. The floor has a new paint job and it looks outstanding. These home games would be a great time to come take a look. The girls also travel to Casey for a tournament on September 2<sup>nd</sup> and participate in the Mt. Pulaski Fall Festival on September 15 + 16.

As the new seasons begin, I would like to ask that all fans show sportsmanship to all parties. Let's make sure that we are cheering for our hard working coaches and players and not being negative towards the officials, coaches, fans, or players. Also, parents should make sure that if your son/daughter is not riding the bus home, you have signed them out with the coach. If there are other arrangements, make sure the coach is aware of this and has written documentation of your plans.

Good luck to everyone and let's have another great year!

## GUIDANCE DEPARTMENT

Amanda Feltes, K-12 Guidance Counselor

Welcome back! I hope everyone had a wonderful summer. I am excited to see all of the students back to school and ready to start a fresh new school year. I am looking forward to a great year. Here are a few tips to help everyone kick off the new school year on the right foot:

- **Get Involved!** It is important for students to not only have consistent attendance at school, but also have an active role in their classes and school community. School is not just about academics. It is also about learning from and making the most of social and extracurricular experiences. Talk to your teachers about what opportunities are available.
- **Make the most of your study time!** Put those study halls to good use. It is far easier to keep up than to catch up. The brain tends to more easily retrieve information that has been learned continuously rather than crammed in a few hours. If you devote thirty minutes every day to each subject, you will find yourself retaining information better.
- **Get to know your teachers and counselor!** Students who need help often do not ask for it or wait too long to get it. You will find that your teachers and counselors want to help you, but they cannot read your mind.
- **Keep a balance in your life!** School can be stressful and fast-paced at times. Taking care of yourself will help you through these times. Getting enough sleep each night, eating right, and spending some fun time with family and friends are key steps in staying physically healthy and mentally alert. All work and no play can make for an unhealthy student. Come see your counselor if you are feeling overwhelmed.
- **Set reasonable goals for yourself and periodically check your progress!** Take time now to determine what you want to accomplish this year. Tape your goals to the wall so you can remind yourself daily of what you hope to achieve. It works! Also, the Tyler portal is a great way to track your

grades and see if you are missing anything. Make it a habit to check this often.

### Important Reminders for High School Students **PSAT**

The [PSAT/NMSQT](#) will be administered at HEHS on Wednesday, October 11, 2017. The deadline to register will be Friday September 22, 2017. The cost to take the test is \$16. Contact Mrs. Feltes ASAP to register. While this is not a required assessment, I strongly encourage all sophomores and juniors to consider taking this test in the Fall 2017. Illinois will be administering the mandatory SAT to all 11<sup>th</sup> grade students on April 10, 2018. The PSAT will be an excellent practice run for the SAT **and** juniors will have the opportunity to qualify for the National Merit Scholarship.

### Planning Ahead

The 2018-2019 *Free Application for Federal Student Aid* (FAFSA®) will be available on October 1<sup>st</sup> this year. Any student planning to attend college in the 2018-2019 school year will need to submit the FAFSA application. It is recommended to submit this application as soon as possible to ensure the best access to financial assistance. In an effort to help all students complete this application, HEHS will be hosting a **FAFSA Completion Workshop on October 19<sup>th</sup>, 2017 at 6:00 pm** in the Computer Lab. Mark your calendars and keep an eye out for more information about this great event. Contact Mrs. Feltes for details.

### BAND/CHOIR NEWS

**Beginning Band Night** - If your student is new to 6th grade band, please join us on August 30th at 5:30pm in the High School Cafeteria. We will discuss expectations as well as answer any questions that you may have as a beginning band parent. If you are in need of an instrument, book or other instrument accessory, Boyd Music will be present to provide options in acquiring these items.

**ILMEA Auditions** - If you have a student ready to put their singing or playing to the test, I may be asking them to audition for ILMEA. If you know that your student is ready to put some work into improving their musical abilities and would like to audition for the ILMEA district festival, please be sure that I am aware. Auditions are October 9th, but music preparation should be happening now. Let me know if you have any questions.

**Practice and Lessons** - This year all band students have the opportunity to for small group lesson time during the school day. This is a great advantage for our students and will prove extremely beneficial for our ensembles. In addition to this time however, students must be practicing their instruments at home. Please work with your student and set up a routine for times each week that they will practice. Thank you!
