## APRIL 2019 NEWSLETTER

### FROM THE SUPERINTENDENT'S DESK

Terry Wisniewski, Superintendent

The third nine weeks of the 2018-2019 school year ended on March 15<sup>th</sup>. It seems impossible that we can be that far into another school year, but we sure are. By the time you get this newsletter, we'll have 1 week of PARCC testing under our belt. The majority of the testing will happen after Easter Break. Remember, PARCC testing is for all 3<sup>rd</sup> – 8<sup>th</sup> Graders. Our Freshman – Juniors will be taking the tests later in April. It is essential that our students take this testing seriously and demonstrate what they know. As a district we do look at the data to help determine some (not all) of our students' needs. The last 4 years, Hartsburg-Emden students have been performing quite well when compared to State averages and other area schools, especially with our literacy component. Math had quite a jump last year as well. Literacy continues to be the greatest indicator of student success, which is why we continue to keep it as a priority.

Hartsburg-Emden CUSD #21 values providing the highest-quality education for our students, while maintaining financial stability. We value our partnership between parents, staff, School Board, and the community in supporting the aspirations of every child we serve. So, our school budget is more than just a spreadsheet, but a very real resource that translates into excellent teachers and licensed paraprofessionals, quality curriculum and instruction materials, essential technology, clean facilities, fully-equipped buildings, safe and secure classrooms, bussing, food services, and so much more. A school budget is not limited to the specific school year dates. Rather, planning for the next school year budget is beginning now, while we are in the middle of teaching and learning this school year. Much depends on a variety of external factors, including anticipated funding from the State. The challenge for many small rural school districts will be – How do we deal with the new \$15.00 minimum wage?? The State of Illinois is also likely to pass a new minimum salary for teachers of \$40,000. In addition, the State is possibly going to change in the teacher retirement, to include a much greater cost to districts. How do we maintain being fiscally responsible when we are mandated by the State to pay more and yet they won't really increase funding

(since they claim Hartem is already a Tier III school – appropriately funded)??

We need to continue to pay very close attention to what is happening in Springfield as we begin to plan for the upcoming school years. Hartsburg-Emden School District will actively pursue sound financial decisions that continue to promote the best education for our students as we begin to plan for the next school year, with a full grasp and understanding of these external issues will affect our budget. We remain hopeful that politicians in Springfield will make the right decisions for our State and children. In the meantime, as a district, I can assure you that we will continue to strive to do what is best for our students.

### PRINCIPAL'S MESSAGE

Jon Leslie, Principal

March was an exciting month. It's hard to believe that it is almost April already. Time is flying by, and we will soon be closing out the school year. Please check the School's website and social media accounts often for the latest list of events.

As I write this article, our 12<sup>th</sup> graders have a little over 7 weeks before they graduate. It just doesn't seem possible. Seniors, you have worked very hard for 3 ¾ years. I encourage you to finish strong. Do your best. Study hard. Most importantly, DO NOT let your attendance slip. Believe it or not, future employers DO make reference calls to your high school. Parents, please insist that your child is at school every day. Our staff is dedicated to educating your children all the way down to their last day at Hartem.

We will be finishing up IAR testing (formerly PARCC) in grades 3-8 over the next couple of weeks and our 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grade students will take the PSAT and SAT. This can sometimes be stressful for children. Parents, please support your

child through it, and make certain that they get a good night's rest and good breakfast.

March was a very busy month here at Hartem. Our 7<sup>th</sup> Grade Volleyball Team got third place at the IESA 7-1A State Tournament and 8<sup>th</sup> Grade Volleyball Team won the IESA 8-1A State Championship against Peoria Limestone Walters. Congratulations to all of our players and coaches on outstanding seasons. March also has brought us the start of Junior High Track, High School Baseball, High School Softball, and High School Track. Hopefully the weather will cooperate with us for our outdoor sports. Mr. Jodlowski and the FFA are working on all the usual activities for this time of the year. Junior High Scholastic Bowl is also in full swing and is doing well so far, and Jr./Sr. High Musical will be performed in just a few weeks.

Please check the rest of this newsletter for a full listing of what we have going on over the next month. There are plenty of things to choose from that could be fun for the entire family. Enjoy the warmer weather and the start to our Spring. Go Stags!!!!

### **HARTEM FFA**

Kenyon Jodlowski, Ag Teacher and FFA Advisor

The Hartem FFA Chapter has had a busy month of March! We started out the month with strawberry deliveries. We sold 110 flats this year and would like to thank all of those who bought strawberries from us this year! We then had our District FFA Proficiencies, where Sami Perschall was the District Winner in Agricultural Processing. Sami was the first Hartem student since 2015 to win District Proficiencies. She then moved on to State Proficiencies at the University of Illinois on March 23rd and represented the chapter well. The FFA also attended the Logan County Farm Bureau Acquaintance Day on March 15th, followed by the Logan County Ag Scholarship Breakfast on March 21st. At the breakfast, two of our FFA members, Brody Baker and Sierra Smith, were recipients of scholarships. Brody Baker was also named the Section 14 winner in Prepared Public Speaking on March 20th. He will advance to the District competition on April 10th.

### **FFA Events in April:**

**April 10th:** District 3 Prepared Public Speaking Contest  
**April 18th:** Section 14 Livestock Judging CDE  
**April 26th:** State Livestock Judging CDE

### **GUIDANCE DEPARTMENT**

Amanda Feltes, K-12 Counselor

Can you believe that it's April already?! The spring semester is always a busy time with sports, state testing, promotion/graduation, etc. There are about 9 more weeks of school left in the school year, and with that comes the excitement and anticipation of summer. It is important for students to continue to arrive to school on time and put their best effort in each class until the end of the year. State testing continues this month. Students will wrap up IAR testing around April 5<sup>th</sup>. In addition, 11<sup>th</sup> grade students will take the SAT on April 9<sup>th</sup>, 9<sup>th</sup> grade will take the PSAT 8/9 on April 10<sup>th</sup>, and 10<sup>th</sup> grade will take the PSAT 10 on April 11<sup>th</sup>. It is important for students to get an adequate amount of sleep and a healthy breakfast to ensure they do their best on test days. It can be a very stressful time, but our teachers have been preparing the students for these tests and I believe they will do well. Students will also be choosing their 2019-2020 schedules during this month. Students should be checking with me to determine requirements towards graduation and assistance in choosing the most challenging and appropriate classes for the upcoming year. As always, if you have any questions regarding scheduling, grades, or graduation requirements, please see your counselor. Best of luck in this final stretch of the year!

### **PSAT/SAT Information**

As I mentioned in the last newsletter, 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grade students are mandated to participate in the PSAT/SAT assessment this year. All 3 assessments will begin promptly at 8:30 am. It is EXTREMELY important that students are in attendance on the day they are assigned to test. Please plan accordingly. Students will be taking each test off-site at the Hartsburg American Legion Hall. I will be sending a detailed letter home with important information about test day. Students will be instructed to arrive to school, as normal, and then they will be transported or will walk to the Legion Hall at 8:30 am. Late arrival will not be allowed after the test begins. Please encourage students to put their best effort forward on these assessments.

## Freshman Orientation

There will be a Freshman Orientation held on April 25th at 6:00 pm in the high school computer lab. Current 8th grade students and a parent are strongly encouraged to attend this meeting. Students will have an opportunity to choose their 2019-2020 classes during this meeting. We will also cover an overview of required courses for graduation, grading scales, and highlights of elective offerings.

## BAND DEPARTMENT

Hannah Blackwell, 6-12 Band/Chorus Teacher

The Hartsburg-Emden music department will proudly present this year's musical, *West Side Story*, on April 5 and 6 at 7pm. Come out to witness the story of two star-crossed lovers and their attempt to find love despite the places they come from. The students have been working a very long time preparing this show, and we are very excited to share it with you!

Select middle school students were selected to perform in the Logan County Music Festival, an honor band and choir made up of all the students in the Logan County schools. It was a very fun time where the students were able to learn a lot about music and improve their personal musicianship.

Finally, the second semester concert will take place on May 10 at 7pm. We hope to see you there!

## ATHLETIC DEPARTMENT

Matthew Stoltzenburg, Athletic Director

A big thanks to all of those who helped with the home basketball and volleyball games this past winter. I know it's a lot of time and energy. We received many compliments (again) on how well our games run and how nice our facilities are. Your time and effort is greatly appreciated.

Congratulations to Coach Hayes, the 71A 3<sup>rd</sup> place team, and the 81A state champs. We will honor those teams along with JHBK, JHCH, HSBK, HSCH, and HSSC on Tuesday, March 26<sup>th</sup> at 5:30 in the high school gymnasium.

The month of April is filled with high school baseball and softball games as well as jr. high and high school track meets. Let's enjoy some spring weather while cheering on those Stags.

## LIBRARY NEWS

The LOCAL winners for the book awards were:  
Monarch (k-2) *Creepy Pair of Underwear* by Aaron Reynolds  
Bluestem (3-5) *A Handful of Stars* by Cynthia Lord

Thank you to all who voted!

### Student Book Review

*If I Should Die Before I Wake* by Han Nolan  
Chana was young during the war. She was forced into Auschwitz. Her whole family was forced into the camp. Her father was sent into working in the camp, her mother was gassed, and the rest of her family she doesn't know about. Hilary wrecked her motorcycle when she got her name changed. She was in the hospital for a while. She has flashbacks from the war and Auschwitz.

I would suggest this book to anyone interested in reading about World War II.  
-Wyatt Leinenbach

Thanks for writing, Wyatt! If your student would like to submit a book review, please contact Mrs. Folkman at [nfolkman@hartem.org](mailto:nfolkman@hartem.org).
