

HARTSBURG-EMDEN CUSD NO. 21

DECEMBER 2018 NEWSLETTER

FROM THE SUPERINTENDENT'S DESK

Terry Wisniewski, Superintendent

It seems that the weather has turned very early this year. We had our 1st cold spell and snowfall well over a month before winter officially begins (December 21st). So, it is definitely time to get ready for the impending school-cancellations that our Central Illinois weather may bring us. We will always try to announce school closings with enough time for you to make arrangement to care for your kids, but it is always a good idea to think about some last-minute arrangements that would work for supervision. Again, we will try to make decisions with time to spare, including decisions on the previous evening of impending weather, but that will not always be possible. We will continue to monitor conditions as they change, so please be prepared for all-day cancellations and even early dismissals. No matter what the cancellation is, we will announce through the following media outlets: WJBC (1230AM), WBNQ (101.5 FM), B104 (104.1 FM), WJEZ (98.9 FM) (you may also visit the radio station's website), ABC Channel 20 (Springfield, Decatur, Champagne) (<https://newschannel20.com/weather/closings>), NBC Channel 25 (Peoria, Bloomington, Normal) (<https://week.com/closings-and-delays>), as well as a school reach all-call.

Next, our school continues to look at the projects needed to maintain our facilities at both the Emden and Hartsburg schools. The Board and Maintenance Staff have done a great job identifying the priorities of work so we can continue operating a quality school that we are proud of. We added a new front door at the Elementary Building which will allow staff to enter off street level. We are receiving a tremendous donation which will allow us to put air conditioning in our gym at the Jr./Sr. High School at about 1/3 the cost. We are also looking for additional ways to make our buildings more secure as well as the possibility of adding some security cameras in needed areas. Student safety is a very important issue. We continue to train our staff on school safety and students social/emotional issues, but we can do some things to make our building physically more secure. However, we have an older building, which brings some challenges with this process.

Finally, I hope everyone enjoyed their Thanksgiving break and ate just enough turkey and stuffing. I seem to enjoy the holidays more each year. It helps when the Bears play on Thanksgiving Day and win. By the time you get this newsletter, we'll be getting close to the end of first semester which brings up the topic of semester exams. Semester exams are given in all classes and count as 1/7 of the student's final grade. This can be a stressful time for High School Students. Please encourage them to prepare and do their best in all they do. It will then be Christmas Break!! Then some time to relax. Every year Christmas seems to come faster and faster. For me, Christmas is a season associated with great joy. It is a time of God showing His great love for us. It can be a time of healing and renewed strength. It often is a busy time, with expectations of fun and joy with our families. However, for some people, Christmas can be a time of sorrow. They don't have the extra money to buy presents for their children, family, and friends. Others may be saddened at Christmas time when a loved one is not with them for the holidays for various reasons. A kind word or gesture to those who are less fortunate or who have lost a loved one this past year can go such a long way. It is important that we keep in mind all the things we've personally been blessed with and be considerate of those who may have some struggles. I wish everyone a very Merry Christmas this year!!

PRINCIPAL'S MESSAGE

Jon Leslie, Principal

I hope everyone had a wonderful Thanksgiving Weekend. The Holiday Season is upon us which means the school year seems to speed up at this point. As our students begin to prepare for exams, they will also be busy with several events during the month of December. Please show your support of our students by stopping by a musical event, sporting event, or Christmas Program. Check out our calendar in this letter to see what we have coming up.

Before I get into what has been going on in our school and some of the upcoming events, I wanted to remind people about our Twitter and Facebook pages. They are updated regularly with current and future school announcements. It is only the beginning of December, and we have already experienced some inclement weather. Emergency closings can be found on the all of our social media pages. In addition, you will also receive an automated telephone message (School Reach).

If you have not been receiving School Reach messages throughout this school year, please contact the district office as soon as possible.

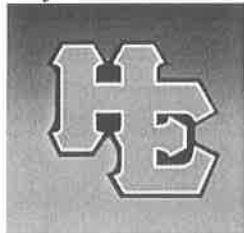

Since our last newsletter, many awesome events have happened in our schools. Our Varsity Volleyball Team finished 2nd in the IHSA 1A State Finals! Congratulations! We are proud of you. We also had a wonderful Veteran's Day Program at our Elementary School. We had Red Ribbon Week at the end of October. Red Ribbon Week is a drug awareness and prevention campaign. We as educators do what we can to educate and help keep your child safe from drugs and alcohol. Parents, if you haven't already done so, talk to your child about drug and alcohol prevention. It is a conversation worth having.

Our basketball seasons have already begun. Our junior high team has already competed in several games. Recently our High School team kicked off their season with several competitive games at the El-Paso Thanksgiving Tournament.

Parents, please see the article regarding the Illinois 5 Essentials Survey in this newsletter. This survey gives our school valuable feedback from several stakeholders regarding our school. It will only take a few minutes to complete and is all done online.

Students, let's finish the first semester strong. We only have a few short weeks before we are halfway done with the 2018-2019 school year. Please keep in mind that semester exams are a substantial part of a high school student's semester grade. Please be well prepared and well rested for the taking of these tests. Parents, please remember that you can check your child's progress on our Tyler Information System. If you need help in accessing the program, contact our District Office.

I would like to wish all of you a Merry Christmas and a Happy Holiday Season. GO STAGS!!!

ATHLETIC DEPARTMENT

Matthew Stoltzenburg, Athletic Director

Happy Holidays from the Hartsburg-Emden athletic department. I hope everyone had their fill of turkey and is ready for some basketball and volleyball. The junior high and high school basketball teams are about in midseason form, while the junior high volleyball season is right around the corner.

Coach Wright, Coach Cross, and the junior high basketball teams are looking at the second half and postseason part of their schedules. They have home games on December 4th, 10th, and 18th, with the last game being 8th grade night against Dee-Mack. They will be in the Logan County Tournaments at Lincoln College on January 5, 10, 12, and 17. The 7th grade regional will start on the 19th and the 8th grade will start on the 26th.

Coach Garber, Coach Bolen, and the high school basketball teams are fresh off their opening tournament and looking at the meat of their schedules. They will have home games on December 1st, 11th, January 4th, 8th, and 18th. They are in the Decatur St. Teresa Christmas tournament on Dec 21, 22, 27, and 28. The LCU Shootout on January 5th has been cancelled.

If anyone is interested in helping keep time at the basketball games, please let me know. It pays \$12.50 per game.

Just as a heads up, the junior high volleyball team is getting their season started with practice during the month of December. They will begin play in January with their first home game on the 10th. I hope everyone has a Merry Christmas and a Happy New Year.

Beginning this November, students and teachers across Illinois will have an opportunity to participate in the seventh annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and 4th through 12th grade students will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in March 2019 and will also be included in the State School Report Card.

Additionally, your district has chosen to provide the optional Parent Supplement survey. If at least 20 percent of Hartsburg-Emden parents complete this survey, a parent supplement report will also be generated. The parent data will not be reported on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted through January 18, 2019. The Parent Survey Supplement will also be conducted through January 18, 2019. To take the survey please visit <https://survey.5-essentials.org/Illinois/> and select the appropriate survey to begin.

For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://www.5-essentials.org/illinois>. If you have any questions or concerns, please contact 5Essentials Client Services at 1-866-440-1874 or 5essentials@uchicago.edu

LIBRARY NEWS

The Rebecca Caudill Young Readers Award is for students in late grade school and middle school. The students choose to read any 3 books from the list of finalists (it can be viewed online by typing <https://www.rebeccacaudill.org/images/2019/2019CaudillAuthorList.pdf> into your browser) and vote for their favorite. The library provides multiple copies of these books. We will have a voting party in the library where we will have trivia, snacks, and prizes. If your student is interested or if you have any questions, please contact Mrs. Folkman. (We're also looking for donations for prizes.)

In the coming months, look in this spot for student reviews of books! If your student is interested, please have them talk to Mrs. Grass or Mrs. Folkman. We are looking for students to write a

paragraph about a library book they love so that they can share their love of reading with all of you!

As you are look ahead to shopping for the holidays, remember that books are an amazing gift. Scholastic, the book order company, has many more books online than the fliers that your teachers send home. You can buy for ANY age group through your child's classroom teacher ONLINE and they will be delivered with your child's order AND earn points for the classroom teacher to buy more books for the classroom.

"I am a reader, a flashlight-under-the-covers, carries-a-book-everywhere-I-go, don't-look-at-my-Amazon-bill. I choose purses based on whether I can cram a paperback into them, and my books are the first items I pack into a suitcase. I am the person who family and friends call when they need a book recommendation or cannot remember who wrote Heidi. My identity as a person is so entwined with my love of reading and books that I cannot separate the two." — **Donalyn Miller, The Book Whisperer: Awakening the Inner Reader in Every Child**

CATCH NEWS

Rachel Jordan, CATCH Champion

November was another busy “**CATCH**” month. We have several activities to talk about. At the beginning of the month we had Terry and Kourtney Hoerbert come to the grade school with a milking cow. It was time to announce the winner for the Pennies for Points. **CONGRATULATIONS TO MR. LESLIE**, who won the honor of milking a cow. He was a trooper and the kids (and staff) enjoyed watching him. After he finished all of the classes were able to pet the cow. This was an awesome time and we appreciate the Hoerbert’s taking time to come in and share this with us. We also had a milk top contest where the class with the most milk tops won an hour activity with Terry Hoerbert. **CONGRATULATIONS TO THE FOURTH GRADE CLASS!!** They had the most milk tops and will enjoy an activity with Terry. We will continue to have taste tests in the cafeteria in December. Betty Jo has some great ideas and we are excited to try some new things this month. All of the students have been adventurous in their eating. We are so proud of them for at least trying something new. You won’t know if you like it if you don’t try it.

One of personal favorite CATCH activities was the ‘**SPIN ART BIKE**’. The **CATCH** program brought in the infamous bike. Last year we were able to use this bike as a ‘Smoothie Bike’. This year it is a ‘Spin Art Bike’. The bike uses student riders to provide the power to move the drum with the paper in it. The ‘Spin Artist’ then will put a little bit of paint on the paper and pull the brake when they are ready. The picture is a beautiful piece of art. The students were super excited and amazed at what kind of Art they produced. A special thank you to Jack Jordan (my husband) for coming over and helping with this activity and Angie Whiteman (our crazy **CATCH** lady). It was so much fun and we can’t wait to try it again.

We will end the semester strong with a ‘**CATCH**’ DANCE PARTY. We can’t wait to cut loose and celebrate the end of our First Semester. From the ‘**CATCH**’ files: Theme 3 of the **CATCH** program is entitled ‘Talk the Talk: Speaking the Language of Catch,’ is designed to teach a common vocabulary for the key concepts of CATCH. During this third six-weeks, the focus is on building student knowledge of: the nutritional value of various foods (**CATCH** categorized foods as **GO, SLOW** and

WHOA foods to guide students in making wise food choices) and the importance of physical activity-and its different levels of intensity. **CATCH** describes activity as **VIGOROUS, MODERATE** and **SEDENTARY. HEALTHY KIDS = BETTER**

LEARNERS!!

JUNIOR HIGH STUDENT COUNCIL

Lynn Curry, JH Student Council Sponsor

October was busy as we held our first community service project. A huge thank you goes out to all who donated new socks during SOCKTOBER. We collected over 140 pairs of socks that will be donated to a local charity. Red Ribbon Week was also a huge success for our students in grades 6-8. Officer Rohrer from the Logan County Sheriff’s Department gave a presentation to our students about bullying. Carissa Davis, from the U of I Extension Office, visited our classroom and lead activities with our students that focused on team work. In addition, a poster contest was held. **Congratulations to Evan Cross-1st Place, Lorisa Riggs-2nd Place and Abby Montgomery-3rd Place.**

Emden Elementary would like to thank all of the veterans and people of the community for coming to our Veteran's Day Program. It was a very special day to say thanks to very special people!

GIRLS ON THE RUN

We wrapped up our season this past month. We had a great final celebration on Nov. 13th. Each team member received a certificate for completing GOTR, an award, and a few mementos to remember the season. The girls learned a lot throughout the past 12 weeks and we hope that they will continue to use those lessons outside of GOTR. I, and the entire GOTR coaching staff, would just like to thank everyone who had a hand in making this year so successful! We couldn't have done it without the support of the community.

ELEMENTARY CHRISTMAS PROGRAM

The Elementary Christmas Program will be on Thursday, December 13th at 6:30 p.m. in the Hartsburg-Emden Gym. GUIDANCE DEPARTMENT

It's hard to believe that December is already here! In a few short weeks, winter break will be upon us. Although this time of year can be filled with many fun events, it can also be stressful and it's even more important to practice good self-care. Winter break is also a great time for students to work on college exploration and preparing for important state assessments that will be administered in the spring semester. High school students should use their winter break wisely and check out the counseling website for tips on how to find the right college or career, prepare for state assessments, or find healthy resources. As always, any student or parent with questions is encouraged to contact Mrs. Feltes.

19-20 DUAL-CREDIT COURSES

Are you interested in taking college classes while still in high school? Dual credit is an opportunity for students in grades 11-12 to take classes in high school and one or more college level classes on an online university. The courses that will be offered next year are: **ENGLISH 101** (Critical Reading & Writing) and **ENGLISH 102** (Multimodal Composition).

Qualifications:

If you are interested in taking a Dual Credit course next year (AY 19-20), you MUST complete a Heartland application by April 1 and ACCUPLACER Assessment (or submit a qualifying score) by April 30 in order to be eligible to enroll in the course. Students can submit qualifying ACT or PSAT/SAT scores in place of the ACCUPLACER. See Mrs. Feltes for details.
