

The Hartsburg-Emden School District is excited to bring back our junior high baseball team for the 2023-2024 season! We will be young, but the boys are ready to work hard and have fun!

As with any athletic program, there will be costs that occur throughout the season as well as off season. Training equipment, funds to support building a team mentality, and other expenses are expected to occur.

We are asking for sponsors to help support our STAG BASEBALL PROGRAM! For a \$50 donation, you can get your name or a business name on a large team banner that will be placed on the fence during the baseball season. In addition, we will post our sponsors on our Facebook page.

We are excited to have our team back and look forward to working hard and making our community proud. Thank you for your support!
