

General School Administration

Superintendent

Duties and Authority

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools in accordance with School Board policies and directives, and State and federal law. District management duties include, without limitation, preparing, submitting, publishing, and posting reports and notifications as required by State and federal law. The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent shall have a valid administrative certificate with the superintendent endorsement issued by the State Certification Board.

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with the Board's policies and the Superintendent's contract. A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.

Administrative Personnel Other Than the Superintendent

Duties and Authority

District administrative and supervisory positions are established by the School Board in accordance with State law and regulations. The general duties and authority of each administrative or supervisory position are approved by the School Board, upon the Superintendent's recommendation, and contained in the respective position's job description.

Qualifications

All administrative personnel shall have a valid administrative certificate and appropriate endorsements issued by the State Certification Board and such other qualifications as specified in the position's job descriptions.

Evaluation

The performance of all administrative personnel will be evaluated by the Superintendent or designee; the Superintendent shall make employment and salary recommendations to the School Board.

Administrators shall annually present evidence to the Superintendent of professional growth through attendance at educational conferences, additional schooling, in-service training and through participation in the general development and improvement of the school program.

Administrative Work Year

The administrator's work year shall be the same as the District's fiscal year, July 1 through June 30, unless otherwise stated in the employment agreement. In addition to legal holidays, the administrators shall have vacation periods as approved by the Superintendent. All administrators shall be available for work when their services are necessary.

Compensation and Benefits

The School Board will consider the Superintendent's recommendations when setting compensation for individual administrators. These recommendations should be presented to the School Board no later than the March School Board meeting.

Unless stated otherwise in individual employment contracts, all benefits and leaves of absence available to teaching personnel are available to administrative personnel.

Administrative Responsibility of the Building Principal

The School Board, upon the recommendation of the Superintendent, employs Building Principals as the chief administrators and instructional leaders of their assigned schools. The primary responsibility of a Building Principal is the improvement of instruction. Each Building Principal shall perform all duties as described in The School Code as well as such other duties as specified in his or her employment agreement or as agreed upon by the Building Principal and Superintendent.

The Superintendent or designee shall develop and maintain a principal evaluation plan that complies with Section 24A-15 of The School Code. Using that plan, the Superintendent or designee shall evaluate each Building Principal. The Superintendent or designee may conduct additional evaluations.

The School Board and each Building Principal shall enter into an employment agreement that conforms to Board policy and State law. The terms of an individual employment contract, when in conflict with the evaluation plan or this policy, will control.
