

Hartsburg-Emden Go Fan Information

For this upcoming Volleyball Postseason and all future IHSA postseason events, it is strongly recommended that you purchase your tickets on the Go Fan App. If you come without mobile tickets, game day staff will direct you to get them by scanning the QR code or going to the Go Fan website to purchase the tickets. Purchasing the tickets ahead of time will be a quicker way to get into the event.

The QR code below will show you all events of Hartsburg-Emden where a ticket is available to purchase on the Go Fan App (iPhone- download app and show ticket to ticket taker) and the Go Fan Website (Android- purchase on website and show email to the ticket taker); this includes any event we host, such as the IHSA Volleyball Sectional this year.
